Department, Madras. 31064

Sir, Through,

The President District Board.,
Bellary.

Sir,

I have the honour to state that bills for adjustment of medical subsidy due on behalf of the medical practitioners of rural dispensaries at Hirehadagalli and Tmbrahalli villages for the II and III quarters of the year 1929-30 were presented to the Treasury Officer Bellary with this office letter No. C.R. 116 dated 21-1-30, but they were returned on 5-3-30 with the remark that the claims would not be adjusted pending submission of certain annual returns said to have been called for by the District Medical Officer Bellary from the medical practitioner Hirehadagalli. The bills were produced again on 27-3-30 to the Treasury Deputy Collector for payment after the transmission of the returns due by the Medical Practitioner Hirehadagalli. They were returned again in the latter part of April 30 to this office with the objection that the claim in respect of each dispensary should be preferred separately, that the subsidy in respect of the Rural dispensary Tambrahalli cannot be adjusted for want of letter of authorisation from the Accountant General, Madras, and etc etc. The Accountant General was however, address-ed on the subject and he has authorised the Treasury Officer Bellary to the payment of subsidy at Rs. 125/- per quarter from 1st January 1930 only on account of the maintenance of the rural dispensary Tambrahalli. He states that the claim for the period from July to December 1929 cannot constitute a claim preferred

in time, as the same was not supported by an authority from his
-8-E
office and that sanction of Government is therefore necessary
for the payment of the subsidy for this period. An extract of
p3 infra the Accountant General's letter No.T.7-Medical/10-299 dated
26-7-30 on the subject is submitted herewith for favour of
reference. Under these circumstances, I request that the necessary
sanction may kindly be accorded for the adjustment of the subsidy
referred to above, at an early date.

I havethe honour to be,

Sir,

Your most obedient servant,

President.

Reference:- Your letter ref.No. 116/30 dated 2nd July 1930 regard-ing the arrear claim of subsidies on behalf of rural dispensa-ries at Hirehadagalli and Tambrahalli.

The date of opening the dispensary at Tambrahalli on 26th July 1929 was intimated to this office in your reference G1.116/30 dated 23rd May 1930 after a delay of nearly 10 months, and as such the claims for the subsidy for the quarter commencing from 1st January 1930 only was at that time entertainable by this office under article 35 ii (c) Madras Financial and Account code volume I. The claim from 1st Janury 1930 was therefore authorised for payment in this office letter T.7 Medl-10-Bell-188 dated 16th June 1930.'

2. The claim for the period from 26th July 1929 to 31st December 1929 now stated to have been made in March 1930, cannot consti-tute a claim preferred in time as the same was not supported by any authority from this office. Sanction of the Government is therefore necessary for the payment of the subsidy from 26th July 1929 to 31st December 1929.
